Subject: Workforce Policy

John,

It was good to see you earlier this week at the NC MAC meeting, and thanks for discussing ACP and other matters.

By copy of this email, I'm connecting you with Jess Englert in the Governor's Policy Office. Jess has recently taken over the workforce portfolio, and is the Governor's staff member for the NC Works Commission. She's working closely with members of the Commission, stakeholders, and the Commerce Department to elevate workforce training as one of the Governor's top priorities.

Jess, John Chaffee is the President of the NC East Alliance, and economic development group focused on expanding opportunities in eastern NC.

I hope you guys are able to connect, as there is great overlap in what you're working on. Let me know if I can be helpful in that process.

Thanks,
Jordan
